The Plaza de Armas is gilded as the gem of the historic center, boasting the Spanish colonial past in the gorgeous structures that decorate the square. Watch the glow of the Government Palace as the sun drifts across the sky shifting the pearl white façade into a stream of orange. Visit the Teatro Municipal, the majestic Cathedral and stroll through the Church of San Francisco. Witness what makes the monastery different from other churches by joining the free tour that will take you into what is known as “the catacombs”.

Ascend from the catacombs and back into the beautiful light of the day, the classic sights of Lima are more than common, they are timeless. Take a glimpse of the modern city as you walk through the residential and financial area of San Isidro.
