3) Browse to find your file, and upload it

The screenshot shows a Mozilla Firefox browser window titled "Upload file - Workshop". The address bar shows the URL "wiki.lct.jussieu.fr/workshop/index.php/Special:Upload". The page content includes a sidebar with navigation, administration, and search options. The main content area is titled "Upload file" and contains instructions on how to use the form. The form has the following fields and options:

- Source filename:** A text input field with a "Browse..." button next to it.
- Maximum file size:** 8 MB
- Permitted file types:** png, gif, jpg, jpeg, pdf, ps, doc, rtf.
- Destination filename:** A text input field.
- Summary:** A large text area for providing a description of the file.
- Options:** Two checkboxes: "Watch this file" and "Ignore any warnings".
- Upload file:** A button at the bottom of the form.

Red circles highlight the "Browse..." button and the "Upload file" button.

Please remember the name of the file. The name given automatically to your file might differ from the name on your computer.
